Building Resident Action by Neighborhood Design

Together, we’re building a stronger community by investing in the places that make that community home

What’s your Flint BRAND?
Flint BRAND is a program designed to help neighborhood associations, block clubs, and other grassroots organizations create visible, positive improvements in Flint neighborhoods. From community gardens to neighborhood parks, picnic pavilions and more, Flint BRAND can help your group explore the opportunities and obtain the financial resources – up to $10,000 – to launch or continue the projects that make your neighborhood home! Flint BRAND is a program of the Genesee County Habitat for Humanity and is made possible with the support of the Charles Stewart Mott Foundation.
